

UC DAVIS C-STEM PROFESSIONAL DEVELOPMENT

C-STEM Academy I:

Introduction to Teaching Computer Science

FOR K-12 TEACHERS

- Learn how to integrate CS and robotics into your classroom
- Option to earn UC Davis / UC Riverside Extension course credit towards CS Supplementary Authorization
- Substitutes provided; the district will cover the PD/tuition costs for the course. The UC course credit fee (if desired) is the responsibility of the teachers.

"I really loved this training! In over 20 years of teaching, I can't remember one I enjoyed so much!"

- Sandy A. (HS Math Teacher), Riverside CA

TIME & LOCATION

August 28-31, 2023 | 8:00 am – 4:00 pm

Orange Unified School District Office

Additional details to follow
in August

"Thank you! This is one of the best trainings I have attended. I am excited to bring this into my classroom"

- Shanna B. (4th Grade Teacher), Redlands CA

NO CODING OR ROBOTICS EXPERIENCE NECESSARY!
