Description:	

Personal Statement:

A 1-2 page statement expressing the applicant's interest and aptitude for C-STEM education. The essay may include personal interests, academic interests, or anything that shows the applicant's motivation for pursuing study in computing and computing-related STEM fields.

Transcript (for Scholarship only):

An official transcript must be provided from the applicant's current school showing classes taken and current cumulative GPA.

Letter of Recommendation / Recommendation Form:

A letter of recommendation and recommendation form is required to be submitted by a teacher or school administrator on behalf of the applicant. The submission should describe how the nominee satisfies the criteria summarized below:

- Recipient must demonstrate outstanding aptitude and interest in computing and STEM fields.
- Recipient should have leadership ability.
- Recipient should have good academic history, typically a GPA of 3.0 or better.
